

The most revolutionary Mass card ever ...

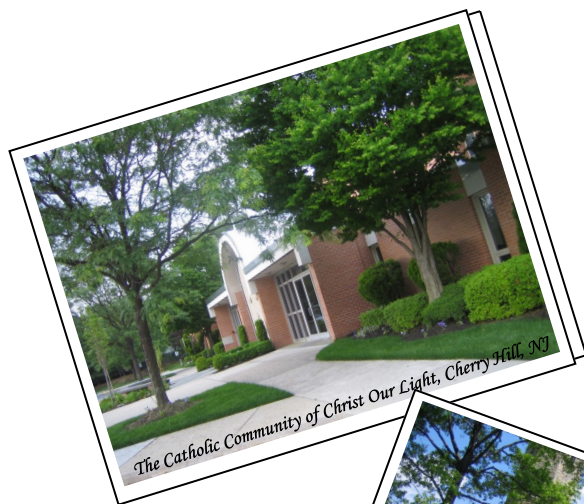

1

Custom-Designed Digital Mass Cards

A new feature offered exclusively by MJS Associates

MJS Associates introduces a revolutionary Mass card ... one that you design!

Your parish has the capability of designing its own Mass cards by using digital photography and technology. You simply choose a Mass card theme (a statue, a stained-glass window, the church, an object, etc.) as the theme of your Mass card. MJS Associates then photographs your theme and custom-designs your Mass card with the theme you selected. We provide a proof of your new Mass card for your approval, and then prints and delivers your order. Our Mass cards are made of heavy, high-quality, coated card stock and may cost less than the ones you now use. You can order as little as 50 cards, and we do not charge added "printing fees" or for having your Mass cards read the way you want them to.

Digital Mass Card Costs *

50 4"x5" cards — 76¢ each
100 4"x5" cards — 59¢ each
50 5"x7" cards — 89¢ each
